

SUPERBOOTH20 – First program details

Superbooth Berlin announces the first artists for [SUPERBOOTH20](#) shortly before the end of the year. In addition, details of the further **supporting** and **educational program**, the **boat shuttles** and the official **Aftershow events** have been determined. And: There will still be a limited number of **Early-Bird tickets** until the end of the year!

- The musical program of **SUPERBOOTH20** is inspired by the music Berlin is famous for all over the world: **Surgeon**, **Lady Starlight**, **Cosmin TRG**, **Pablo Mateo** and **Zavoloka** perform live techno and electronic music at its best. Further top-class artists will be announced in spring 2020.
- In the Bermuda Triangle between **OHM**, **Discothek Melancholie 2** and **C-Base**, near the historic harbor, the official **SUPERBOOTH20 Aftershow Events** will take place - which can be reached perfectly during the event days with the soon bookable **boat shuttles**.
- In the coming year, too, **educating the next generation** will be right at the top of **SUPERBOOTH20's** list of priorities. More workshops will be offered for Berlin school classes. Besides **Gammon** and his **Modular Synthesizer Ensemble**, there will be **DIY workshops** for children and teenagers with **Olivier von Leaf Audio** in the morning.
- Two little hints:
 - Until the end of the year the current **Early-Bird discount level** applies to all tickets for **SUPERBOOTH20**.
 - **SUPERBOOTH20** now has its own **online shop**: In addition to the intended significant simplification in purchasing additional trade fair services, there are already some of the popular **T-shirts** and **other merchandise** available: shop.superbooth.com
